

DETAILED ACTION

SUPPLEMENTAL EXAMINER'S AMENDMENT

It has come to the Examiner's attention that there is a typographical error in the Examiner's amendment mailed out on July 1, 2008.

A supplemental examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Samir S. Khoury on 7 July 2008.

The application has been amended as follows:

Claim 12, the first indicated change, i.e., the limitation added after "opening" on line 3, of ", one of said first and second sidewalls of the first frame member has a hole formed therein" has been deleted as being redundant to line 23 of claim 12; and line 6, "the" before "one" has been deleted (such that the change made in the original Examiner's amendment becomes a change wherein "at least" has been deleted).

Allowable Subject Matter

Claims 1-4, 7-9, 11, 12, and 14-19 stand allowed.
